Title: Motion regarding 43rd Report of Business Advisory Committee (Motion adopted).

THE MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF INFORMATION AND BROADCASTING (SHRI PRIYA RANJAN DASMUNSI): That this House do agree with the Forty-third Report of the Business Advisory Committee presented to the House on the 28th November, 2007.

MR. SPEAKER: The question is:

> "That this House do agree with the Forty-third Report of the Business Advisory Committee presented to the House on the 28th November, 2007."

The motion was adopted.

MR. SPEAKER: We will come to urgent matter of public importance. Well, I am very sorry that yesterday a totally uncalled for situation was created. I am also very sorry that even without making the Speaker aware, certain issues are being raised here and immediately there is a commotion and not even opportunities have been given to the Chair to consider the issues. It is not helping the functioning of the House. You have to accept some decisions given by the Chair. You cannot always challenge those decisions. Therefore, I am appealing to all the hon. Members in this regard.

There is no intention by the Chair to refuse any matter to be permitted to be raised, if it is possible and permissible under the rules. Even those have to be ignored because the Members insist on matters being raised – whether belonging to State, belonging to some other matter etc. I do not know how we will function. But since there is a feeling that certain matters are not being deliberately allowed to be raised, I deny it very strongly.

I now request Shri Arjun Sethi to raise his point. He knows what are the limitations of that issue.[a13]

SHRI ARJUN SETHI (BHADRAK): Sir, I am really very much sorry that in a fit of rage, I spoke something which is not called for. I again regret very much.

MR. SPEAKER: That is all right. Please forget it. I am appealing to all the sections of the House to cooperate with the Chair. You will find that almost all the issue will be allowed to be raised.
